

ZUZANA MARTÁN

SENIOR VICE PRESIDENT, FINANCE, CO-VICE CHAIR OF THE BOARD

Zuzana leads the strategic and operational activities of the finance team at Y Soft. In this role, she is operationally responsible for managing Y Soft's global financial business.

Zuzana has a fifteen-year background in strategic and operational roles in high growth technology environments. Prior to Y Soft, she was CFO at Price F(X), a global CPQ (configure, price, quote) software company. Previously she held the role of vice-president finance and strategic planning with AVG Technologies contributing strongly to the financial growth of that company.

Zuzana earned her Master of Science degree in Economics and Management from Mendel University, Czech Republic. She also has a bachelor's degree in bilingual studies and counts among her languages English, Czech, French, German and Slovak. In her free time, Zuzana enjoys traveling and discovering new places, hiking and spending time in nature. She also likes sports, music and photography.
