

WOUTER KOELEWIJN

CHIEF OF PRODUCTS, BOARD MEMBER

As Chief of Products, Wouter is responsible for existing and new product direction ensuring that product delivery is smooth, while keeping Y Soft in the forefront of new innovations. He is directly responsible for the product management and product marketing teams.

Working closely with our partner and customer community, Wouter keeps his pulse on market needs and ensures Y Soft products provide partners with continued innovation and that customer needs are captured for existing product updates and new product opportunities. Wouter is also an outspoken advocate of powerful yet simple to use print management and scanning solutions on MFD's (Multifunction Devices). Prior to the Chief of Products role, Wouter was Senior VP and Managing Director of Y Soft Scanning Division.

Prior to working with Y Soft, Mr. Koelewijn founded X-Solutions in late 2002, which was later acquired by Nuance in 2009. Before X-Solutions, Wouter was the CTO and co-founder of a Xerox concessionaire in the Netherlands from 1994-2002. Mr. Koelewijn is married and has two children. He enjoys skiing, swimming and sailing.
