

# WHAT'S NEW IN YSOFT SAFEQ PLATFORM

## IMPROVE EMPLOYEE PRODUCTIVITY

**new** TAKES THE COMPLEXITY OUT OF SCANNING

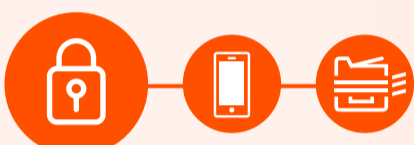

DOCUMENT CAPTURE & MANAGED WORKFLOWS

**80% AGREE THAT PAPER CONTENT AND PROCESSES ARE A HUGE IMPEDIMENT TO REMOTE ACCESS AND TELEWORKING**

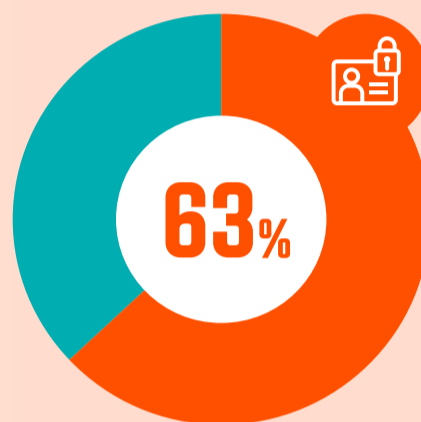

“Improved accessibility, higher productivity, and faster response to customers are the biggest drivers for scanning and capture, along with reduction in office space. Automating more manual processes is the biggest priority for users, and 23% are looking to invest in better technology.”  
— AIIM 2015 Market Report on Paper-Free Progress

## INCREASE DOCUMENT SECURITY

**new** BROADEST LEVEL OF SECURE ACCESS

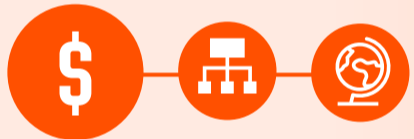

YSOFT SAFEQ MOBILE TERMINAL APP  
UNIVERSAL PRINT DRIVER

**A RECENT QUOCIRCA STUDY REVEALED THAT 63% OF BUSINESSES SURVEYED ADMITTED THAT THEY HAD EXPERIENCED A PRINT-RELATED DATA BREACH**

“With the security of our sensitive information assured, we reached a completely new level of confidence.”  
— UniCredit Bank

## REDUCE PRINT SERVICES COST

**new** LESS SERVERS, LESS EXPENSIVE SERVERS

CLIENT-BASED PRINT ROAMING  
MULTITENANCY

**LOWERING COSTS FOR PRINTING, COPYING AND SCANNING BY ABOUT 30%**

“Thanks to the optimization of the print environment with YSoft SafeQ, we succeeded in lowering our costs for printing, copying and scanning by about 30%.”  
— Česká pojišťovna, a.s.

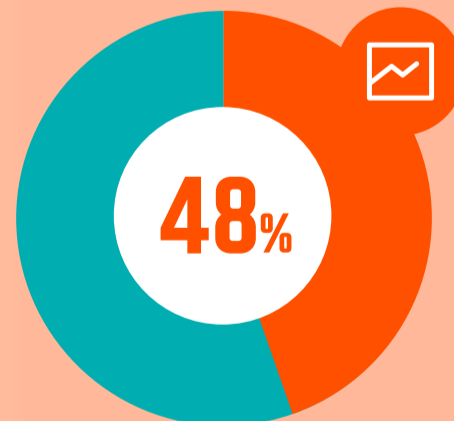

“YSoft SafeQ forced our staff to think more about what they really need to print. Thanks to that, our print volume and costs dropped immediately by 30%.”  
— Raiffeisen Bank International

## INTEGRATE 2D & 3D PRINTING

**new** 3D PRINTER, PRINT MANAGEMENT & ACCOUNTING SOLUTION

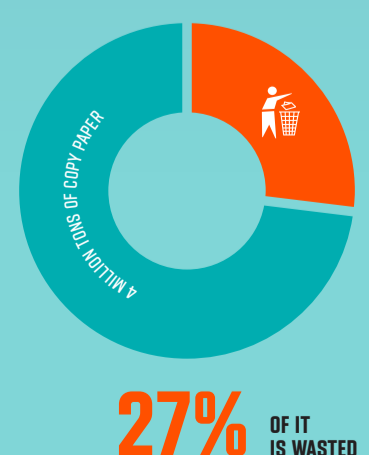

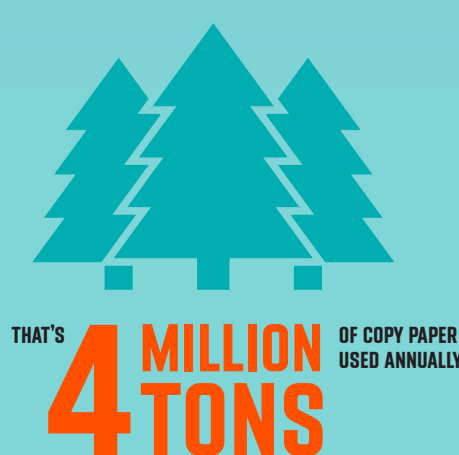

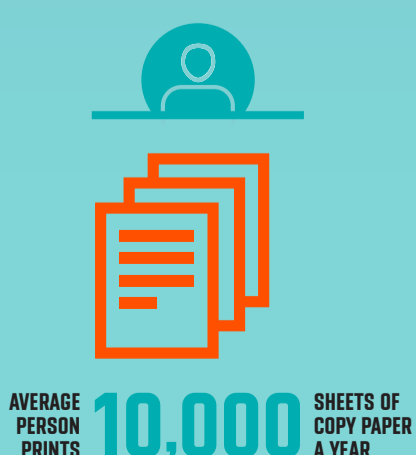

YSOFT BE3D EDEE FOR EDUCATION

**48% COMPOUND ANNUAL GROWTH RATE OF 3D PRINTING IN EDUCATION**

“48% CAGR (Compound annual growth rate) of 3D printing in education as forecasted by analysts between 2014-2019.”  
— TechNavio
